## Melenos Lindos

Rhodes, Greece

The ancient town of Lindos is classic stuff – all whitewashed houses and sleeping dogs. And now, after 13 years of planning, it has one of Greece's coolest retreats. Aussie designer Donald Green has decorated the 12 rooms with beautiful quirky artefacts. In suite one, metallic embroideries adorn the walls; in suite three, 19th-century Armenian doors open into a boudoir with silk cushions scattered on harem-style daybeds. At the terrace bar, a vine-covered pergola is threaded with tiny lanterns. Sensuous yet earthy, decadent yet sassy – and ideal for a long weekend now that BA is flying here twice a week. **Website** [melenoslindos.com](http://melenoslindos.com). **UK reservations** Your Greece (tel: 00 30 21066 40077). **Rates** Double, from £159, including breakfast. ▷
